

UFO NEWSCLIPPING SERVICE

LUCIUS FARISH
ROUTE 1 - BOX 220
PLUMERVILLE, ARKANSAS 72127 U.S.A.

Dear Fellow Researcher:

The UFO Newsclipping Service (UFONS), begun in May 1969, is an organization serving the UFO community through dissemination of pertinent UFO information to interested and serious UFO investigators and researchers.

Initially, UFONS contracted for a UFO newspaper clipping service through a reputable, international clipping bureau, since we found it impossible to obtain needed news items on UFOs without such a service (i.e. little-known photographic cases, close-encounter and landing reports, occupant cases and other such accounts, many of which are only published in smaller daily and weekly papers). In 1970, we added international coverage, with clippings of UFO reports coming in from such countries as England, Australia, Canada, New Zealand and South Africa. All foreign language clippings are translated into English.

This complete United States and world-wide clipping service costs UFONS anywhere from \$65.00 per month to as much as \$250.00 per month in times of high UFO activity. We know that few individual UFO researchers, or even UFO organizations, can afford the high cost of such a service directly from a clipping bureau. For this reason, we would like to share our clipping service with you, for our mutual benefit. We have initiated a system which has been well received by many UFO investigators and groups, as well as libraries and individual scientists, whereby we help defray the costs of our expensive world-wide UFO news coverage by offering the same service to you at a fraction of our cost ---- only \$5.00 per month (\$6.00 for foreign subscriptions, by airmail).

Our service fills the need for up-to-date UFO evidence on a world-wide basis, thus providing data for scientific analyses and studies. Also, the libraries which subscribe to our service tell us that our material is always in great demand, indicating the public's deep and continuing interest in the UFO subject.

FOR YOUR \$5.00 PER MONTH, YOU RECEIVE THE FOLLOWING:

1. 20-page (minimum) monthly UFO report, legal-size, photo-offset, containing:
 - a. The most complete and informative United States UFO newsclippings of recent date.
 - b. A comprehensive selection of world-wide UFO newsclippings (in English) of recent date.
 - c. A special 3 to 5 page section of "Fortean" clippings (i.e. reports of strange creatures, "monsters," Bigfoot, etc.). These reports often seem to relate directly to UFO activity, so we feel they warrant inclusion in our newsclipping service.

2. First Class mailing of our monthly reports, to insure prompt arrival. The approximate mailing date is the 10th of each month. All issues are mailed in large protective envelopes.
3. Additional coverage of reports when warranted. During periods of increased UFO activity ("flaps"), as reported in the news media, both domestic and foreign, extra pages will be added to our reports as needed, at no extra cost to those who subscribe now.
4. The present \$5.00 rate (\$6.00 foreign) will not be increased at any time during the term of your subscription.

In making our service available to subscribers, we must follow certain rules. Therefore, all subscriptions must be for a minimum of 3 months duration, payable in advance at the rate of \$5.00 monthly, \$15.00 for three months, or \$55.00 per year (a \$5.00 savings over monthly rates). Payment envelopes will be provided for your convenience. Also, we ask that you give us a 3-week advance notice if you wish to cancel your subscription.

We sincerely hope you will share this clipping service with us. Upon receipt of your first 20-page monthly report, we feel you will agree that our service is well worth the cost, to be kept informed of the latest developments in the UFO and Fortean fields.

Take advantage of this opportunity now. Fill in the form below and return it to us immediately so that we can start mailing your monthly reports to you without delay.

Thank you for your consideration in this matter.

Yours truly,

Lucius Farish
