

Chilling declassified CIA file reveals aliens committed 'revenge massacre' after UFO was shot down

By [CHRIS MELORE, ASSISTANT SCIENCE EDITOR FOR DAILYMAIL.COM](#)

PUBLISHED: 15:38 BST, 3 April 2025

A bone-chilling document declassified by the CIA has exposed an alleged massacre by [aliens](#) from a crashed [UFO](#) who turned an entire military unit into stone.

According to the report, Soviet troops shot down a flying saucer hovering over the Soviet military unit in Siberia roughly 35 years ago, and [what happened next was truly terrifying](#).

In the document, summarizing a 250-page top secret file acquired by US intelligence agents, eyewitnesses said five aliens climbed out of their wrecked craft, combined themselves into one creature, exploded in a burst of intense energy, and turned 23 soldiers into solid rock.

One CIA official referred to the shocking battle as 'a horrific picture of revenge on the part of extraterrestrial creatures, a picture that makes one's blood freeze.'

The agency added that the 'extremely menacing case' proved the aliens who visited Earth possessed weapons and technology far beyond the US government's 'assumptions' - suggesting they were already aware of the aliens' existence.

The unearthed document, declassified in 2000, was recently the topic of the [AI](#) or Evil podcast, where host Josh Hooper revealed that two of the soldiers at the UFO crash site actually survived the encounter.

However, the 23 'petrified soldiers' could not be saved. Their remains and the debris from the spacecraft were reportedly moved to a secret research base near [Moscow](#).

An even more concerning detail of the CIA file is the description of the aliens reportedly involved in this massacre, who have been mentioned in UFO reports and sightings for nearly 80 years.

TEXT TEXT:

(((REPRINT FROM THE NEWSPAPER TERNOPIL VECHIRNIY: "COSMIC REVENGE" -- FIRST PARAGRAPH PUBLISHED IN BOLDFACE)))

((TEXT)) AFTER MIKHAIL GORBACHEV DISSOLVED, IN 1991, THE KGB TOP SECRET INTELLIGENCE ADMINISTRATION, A LOT OF MATERIAL FROM THAT DEPARTMENT FOUND THEIR WAY ABROAD, IN PARTICULAR TO THE CIA. AS REPORTED BY THE AUTHORITATIVE MAGAZINE CANADIAN WEEKLY WORLD NEWS, *U.S. INTELLIGENCE OBTAINED A 250-PAGE FILE ON THE ATTACK BY A UFO ON A MILITARY UNIT IN SIBERIA.

THE FILE CONTAINS NOT ONLY MANY DOCUMENTARY PHOTOGRAPHS AND DRAWINGS, BUT ALSO TESTIMONIES BY ACTUAL PARTICIPANTS IN THE EVENTS. ONE OF THE CIA REPRESENTATIVES REFERRED TO THIS CASE AS "A HORRIFIC *PICTURE OF REVENGE ON THE PART OF EXTRATERRESTRIAL CREATURES, A PICTURE THAT MAKES ONE'S BLOOD FREEZE."

ACCORDING TO THE KGB MATERIALS, A QUITE LOW-FLYING SPACESHIP IN THE SHAPE OF A SAUCER APPEARED ABOVE A MILITARY UNIT THAT WAS CONDUCTING ROUTINE TRAINING MANEUVERS. FOR UNKNOWN REASONS, SOMEBODY UNEXPECTEDLY LAUNCHED A SURFACE-TO-AIR MISSILE AND HIT THE *UFO. IT FELL TO EARTH NOT FAR AWAY, AND FIVE SHORT HUMANOID WITH "LARGE HEADS AND LARGE BLACK EYES" EMERGED FROM IT.

IT IS STATED IN THE TESTIMONIES BY THE TWO SOLDIERS WHO REMAINED ALIVE THAT, AFTER FREEING THEMSELVES FROM THE DEBRIS, THE ALIENS CAME CLOSE TOGETHER AND THEN "MERGED INTO A SINGLE OBJECT THAT ACQUIRED A SPHERICAL SHAPE." THAT OBJECT BEGAN TO BUZZ AND HISS SHARPLY, AND THEN BECAME BRILLIANT WHITE. IN A FEW SECONDS, THE SPHERES GREW MUCH BIGGER AND EXPLODED BY FLARING UP WITH AN EXTREMELY BRIGHT LIGHT. AT THAT VERY INSTANT, 23 SOLDIERS WHO HAD WATCHED THE PHENOMENON TURNED INTO... STONE POLES. ONLY TWO SOLDIERS WHO STOOD IN THE SHADE AND WERE LESS EXPOSED TO THE LUMINOUS EXPLOSION SURVIVED.

* THE KGB REPORT GOES ON TO SAY THAT THE REMAINS OF THE UFO AND THE "PETRIFIED SOLDIERS" WERE TRANSFERRED TO A SECRET SCIENTIFIC RESEARCH INSTITUTION NEAR MOSCOW. SPECIALISTS ASSUME THAT A SOURCE OF ENERGY THAT IS STILL UNKNOWN TO EARTHLINGS INSTANTLY CHANGED THE STRUCTURE OF THE SOLDIERS' LIVING ORGANISMS, HAVING TRANSFORMED IT INTO A SUBSTANCE WHOSE MOLECULAR COMPOSITION IS NO DIFFERENT FROM THAT OF LIMESTONE.

A CIA REPRESENTATIVE STATED: "IF THE KGB FILE CORRESPONDS TO REALITY, THIS IS AN EXTREMELY MENACING CASE. THE ALIENS POSSESS SUCH WEAPONS AND TECHNOLOGY THAT GO BEYOND ALL OUR ASSUMPTIONS. THEY CAN STAND UP FOR THEMSELVES IF ATTACKED.

During a training mission in Siberia, the Soviet military reportedly shot down a low-flying UFO carrying at least 5 aliens who then turned the soldiers into stone

The subject of the document states: 'Paper reports alleged evidence on mishap involving UFO.'

This extraordinary tale was also published in the Ukrainian newspaper Holos Ukrayiny on March 27, 1993.

The incident, which a Canadian newspaper believed took place between 1989 and 1990, was only uncovered by the CIA after the [fall of the Soviet Union](#) and its 'secret police' organization, the KGB.

The CIA document explained that the alleged alien craft was flying low and quietly above the Soviet unit while they were engaged in a training mission.

Officials wrote that 'for unknown reasons' the Soviets launched a surface-to-air missile at the UFO, sending it crashing to the Earth near the unit's position.

According to the only two soldiers who survived, when the soldiers approached the craft, the five aliens freed themselves of the debris and came close together near the wreck.

Moments later, the soldiers said the group of aliens 'merged into a single object that acquired a spherical shape.' In simpler language, the aliens beings somehow morphed into a giant ball. That's when the new ball-like alien began to buzz and hiss before igniting into a brilliant white light.

The description from the CIA report matches the decades-long description of an alleged race of beings UFO researchers call 'the Greys'

With the soldiers still looking on, the ball of light erupted like a giant flare of energy, turning 23 of the 25 Soviets into 'stone poles.'

The report stated that the only reason two of the men survived was because they were standing in a shaded area at the time of the alien energy blast.

Testing of the soldier's bodies showed the alien flare had somehow changed living tissue into a substance that closely resembles limestone.

The CIA document added that 'a source of energy that is still unknown to Earthlings' was responsible for the blast which fatally transformed the Soviets.

Even in 2025, the science behind such a shocking transformation is still difficult to explain medically and technologically.

According to the [Journal of Applied Physics](#), it is possible to use high-energy radiation or electromagnetic pulses to change normal matter into plasma - a form that's not a liquid, solid, or gas.

In the report, the CIA described the aliens as short humanoids with 'large heads and large black eyes.'

The account matches what UFO researchers, alleged alien abductees, and others who believe in alien life refer to as a race called 'the Greys.'

Their features have become the classic image the public thinks of when discussing aliens from outer space - a small, skinny, grey-skinned alien, with an oversized head and large black eyes with no iris.

The Greys would eventually become linked to the infamous Roswell Incident of 1947, as CIA documents would later suggest that alien beings were pulled from the alleged wreck in New Mexico.

These strange creatures would also go on to represent alien life in countless science fiction shows and movies, including Steven Spielberg's *Close Encounters of the Third Kind*.

Despite their prominent place in extraterrestrial research, this disturbing incident appears to be the first time humans have alleged that these beings could have accomplished such terrifying feats.
